

## Wipe away your tears

D            A    Bm            F#m    G            Em            D    A

Why do you weep, who do you seek? My Lord, where has he been taken?

G            D    F#            Bm            G            Em            D    A

Mary I am here, wipe away your tears tell friends with me you have spoken.

D            A    Bm            F#m            G            Em    D    A

What do you mean, Jesus you have seen are you sure you are not mistaken?

G            D    F#            Bm            G            Em            D    A

Mary I am here, wipe away your tears tell friends with me you have spoken.

D            A            Bm            F#m            G    Em    D    A

It soon became real, in the sharing of a meal    Christs' rising    and ascension

G            D    F#            Bm            G            Em            D    A

Mary I am here, wipe away your tears tell the world with me you have spoken.

D            A            Bm            F#m            G            Em    D    A

Blessed are those who have not seen Yet believe in the    resur - rection

G                    D            F#            Bm

So wipe away your tears, God's kingdom is near

G            Em            D    A    D

And your share in eternal salvation.
