

A King without a throne

G C Am D

In a little town called Bethlehem long long ago

G C Am D

was a stable, just a cattle shed that became the place to go

G C Am D

for swaddled in a manger in a humble place called home

G C Am D G

was the baby Christ our Saviour, a King without a throne.

Am D G C

CHORUS For you reign on high in glory and you reign here in my heart

Am D C D G

I worship and adore thee my Lord how great thou art.

G C Am D

While shepherds were watching their sheep deep in the night

G C Am D

an angel brought the message surrounded by Gods light

G C Am D

that swaddled in a manger in a humble place called home

G C Am D G

was the baby Christ our saviour, a King without a throne. **CHORUS**

G C Am D

Three wise men with their gifts came travelling from afar.

G C Am D

To pay homage to the new born, led there by a star,

G C Am D

and swaddled in a manger in a humble place called home

G C Am D G

was the baby Christ our saviour, a King without a throne. **CHORUS**
